

I am excited to announce my interest in serving on SAPOA's Board of Directors. As a full time resident, I look forward to working with other board members and our community to continue making Sunshine Acres a great place to live.

For those of you who don't know me, my husband Brooks and I have been SAPOA members for 15 years. More recently, we built our home on Sunshine Avenue and have been thoroughly enjoying the beautiful scenery and friendly neighbors here.

I believe board members need to know how to plan and budget, deal with disputes and carry out ideas while also listening to the association membership and surrounding community. With a background in real estate and working over 23 years as a Realtor, I have knowledge that will be useful for this position.

I have served on municipal and nonprofit boards, most recently on Olympic Peninsula Humane Society's Board of Directors. I know what this job entails and believe I have the necessary experience to do it well. As a member of the SAPOA Board, I will bring a fresh perspective and would consider it a privilege to work together with neighbors to achieve our shared goals. I will honor and respect other's viewpoints and approach each situation and person with grace and dignity.

I am an enthusiastic about this opportunity to be more active in our delightful peninsula community. I hope that you will agree and select me as a new member of SAPOA's board.

Thank you,

Jacqueline Petersen
