BACKGROUND

Tenant desires to lease the aquatic lands commonly known as Straits of Juan de Fuca, which are tidelands located in Clallam County, Washington, from State, and State desires to lease the property to Tenant pursuant to the terms and conditions of this Lease. State has authority to enter into this Lease under Chapter 43.12, Chapter 43.30 and Title 79 of the Revised Code of Washington (RCW).

THEREFORE, the Parties agree as follows:

SECTION 1 PROPERTY

1.1 Property Defined.

- (a) State leases to Tenant and Tenant leases from State the real property described in Exhibit A together with all the rights of State, if any, to improvements on and easements benefiting the Property, but subject to the exceptions and restrictions set forth in this Lease (collectively the "Property").
- (b) This Lease is subject to all valid interests of third parties noted in the records of Clallam County, or on file in the Office of the Commissioner of Public Lands, Olympia, Washington; rights of the public under the Public Trust Doctrine or federal navigation servitude; and treaty rights of Indian Tribes.
- (c) This Lease does not include a right to harvest, collect, or damage natural resources, including aquatic life or living plants; water rights; mineral rights; or a right to excavate or withdraw sand, gravel, or other valuable materials
- (d) State reserves the right to grant easements and other land uses on the Property to others when the easement or other land uses will not interfere unreasonably with the Permitted Use.

1.2 Survey and Property Descriptions.

- (a) Tenant warrants that the legal description provided in Exhibit A is a true and accurate description of the Property boundaries and the improvements to be constructed or already existing on the Property. Tenant's obligation to provide a true and accurate description of the Property boundaries is a material term of this Lease.
- (b) State's acceptance of the record of survey referenced in Exhibit A does not constitute agreement that this record of survey accurately reflects the actual amount of land used by Tenant. Tenant's use or occupancy of any state-owned aquatic lands outside the Property boundaries is a material breach of this Lease and State may seek remedies under Section 14 of this Lease in addition to any other remedies afforded by law or equity or otherwise.

1.3 Inspection. State makes no representation regarding the condition of the Property, improvements located on the Property, the suitability of the Property for Tenant's Permitted Use, compliance with governmental laws and regulations, availability of utility rights, access to the Property, or the existence of hazardous substances on the Property. Tenant inspected the Property and accepts it "AS IS."

SECTION 2 USE

2.1 Permitted Use. Tenant shall use the Property for: concrete boat ramp (the "Permitted Use"), and for no other purpose. This is a water-dependent use. Exhibit B describes the Permitted Use in detail. The Permitted Use is subject to additional obligations in Exhibit B.

2.2 Restrictions on Permitted Use and Operations. The following limitations and requirements apply to the Property and adjacent state-owned aquatic land. Tenant's compliance with the following does not limit Tenant's liability under any other provision of this Lease.

- (a) Tenant shall not cause or permit:
 - (1) Damage to natural resources,
 - (2) Waste, or
 - (3) Deposit of material, unless approved by State in writing. This prohibition includes deposit of fill, rock, earth, ballast, wood waste, refuse, garbage, waste matter, pollutants of any type, or other matter.

2.3 Conformance with Laws. Tenant shall, at all times, keep current and comply with all conditions and terms of permits, licenses, certificates, regulations, ordinances, statutes, and other government rules and regulations regarding Tenant's use or occupancy of the Property.

2.4 Liens and Encumbrances. Unless expressly authorized by State in writing, Tenant shall keep the Property free and clear of liens or encumbrances arising from the Permitted Use or Tenant's occupancy of the Property.

SECTION 3 TERM

3.1 Term Defined. The term of this Lease is twelve (12) years (the "Term"), beginning on the 1st day of April, 2019 (the "Commencement Date"), and ending on the 31st day of March, 2031 (the "Termination Date"), unless terminated sooner under the terms of this Lease.

3.2 Renewal of the Lease. This Lease does not provide a right of renewal. Tenant may apply for a new lease, which State has discretion to grant. Tenant must apply for a new lease at least one (1) year prior to Termination Date. State will notify Tenant within ninety (90) days of its intent to approve or deny a new Lease.

3.3 End of Term.

- (a) Upon the expiration or termination of this Lease, Tenant shall remove Improvements in accordance with Section 7, Improvements, and surrender the Property to State in the same or better condition as on the Commencement Date, reasonable wear and tear excepted.
- (b) Definition of Reasonable Wear and Tear.
 - (1) Reasonable wear and tear is deterioration resulting from the Permitted Use that has occurred without neglect, negligence, carelessness, accident, or abuse of the Property by Tenant or any other person on the premises with the permission of Tenant.
 - (2) Reasonable wear and tear does not include unauthorized deposit of material prohibited under Paragraph 2.2 regardless of whether the deposit is incidental to or the byproduct of the Permitted Use.
- (c) If Property is in worse condition, excepting for reasonable wear and tear, on the surrender date than on the Commencement Date, the following provisions apply.

- (1) State shall provide Tenant a reasonable time to take all steps necessary to remedy the condition of the Property. State may require Tenant to enter into a right-of-entry or other use authorization prior to the Tenant entering the Property if the Lease has terminated.
- (2) If Tenant fails to remedy the condition of the Property in a timely manner, State may take steps reasonably necessary to remedy Tenant's failure. Upon demand by State, Tenant shall pay all costs of State's remedy, including but not limited to the costs of removing and disposing of material deposited improperly on the Property, lost revenue resulting from the condition of the Property, and administrative costs associated with the State's remedy.

3.4 Holdover.

- (a) If Tenant remains in possession of the Property after the Termination Date, the occupancy will not be an extension or renewal of the Term. The occupancy will be a month-to-month tenancy, on terms identical to the terms of this Lease, which either Party may terminate on thirty (30) days' written notice.
 - (1) The monthly rent during the holdover will be the same rent that would be due if the Lease were still in effect and all adjustments in rent were made in accordance with its terms.
 - (2) Payment of more than the monthly rent will not be construed to create a periodic tenancy longer than month-to-month. If Tenant pays more than the monthly rent and State provides notice to vacate the property, State shall refund the amount of excess payment remaining after the Tenant ceases occupation of the Property.
- (b) If State notifies Tenant to vacate the Property and Tenant fails to do so within the time set forth in the notice, Tenant will be a trespasser and shall owe the State all amounts due under RCW 79.02.300 or other applicable laws.

- (a) Notice of Rent Adjustment. State shall provide notice of adjustments to the Annual Rent allowed under Paragraph 4.5(b) to Tenant in writing no later than ninety (90) days after the anniversary date of the Lease.

If the State fails to provide the notice required in Paragraph 4.4(a), State shall not collect the adjustment amount for the year in which State failed to provide notice. Upon providing notice of adjustment, State may adjust and prospectively bill Annual Rent as if missed or waived adjustments had been implemented at the proper interval. This includes the implementation of any inflation adjustment.

4.5 Rent Adjustments for Water-Dependent Uses.

- (a) Inflation Adjustment. State shall adjust water-dependent rent annually pursuant to RCW 79.105.200-.360, except in those years in which State revalues the rent under Paragraph 4.5(b) below. This adjustment will be effective on the anniversary of the Commencement Date.
- (b) Revaluation of Rent. At the end of the first four-year period of the Term, and at the end of each subsequent four-year period, State shall revalue the water-dependent Annual Rent in accordance with RCW 79.105.200-.360.
- (c) Rent Cap. State shall increase rent incrementally in compliance with RCW 79.105.260 as follows: If application of the statutory rent formula for water-dependent uses would result in an increase in the rent attributable to such uses of more than fifty percent (50%) in any one year, State shall limit the actual increase implemented in such year to fifty percent (50%) of the then-existing rent. In subsequent, successive years, State shall increase the rental amount incrementally until the State implements the full amount of increase as determined by the statutory rent formula.

5.1 Utilities. Tenant shall pay all fees charged for utilities required or needed by the Permitted Use.

5.2 Taxes and Assessments. Tenant shall pay all taxes (including leasehold excise taxes), assessments, and other governmental charges applicable or attributable to the Property, Tenant's leasehold interest, the improvements, or Tenant's use and enjoyment of the Property.

5.3 Right to Contest. If in good faith, Tenant may contest any tax or assessment at its sole cost and expense. At the request of State, Tenant shall furnish reasonable protection in the form of a bond or other security, satisfactory to State, against loss or liability resulting from such contest.

Upon referral, Tenant shall pay collection agency fees in addition to the unpaid amount.

6.5 No Accord and Satisfaction. If Tenant pays, or State otherwise receives, an amount less than the full amount then due, State may apply such payment as it elects. State may accept payment in any amount without prejudice to State's right to recover the balance of the rent or pursue any other right or remedy. No endorsement or statement on any check, any payment, or any letter accompanying any check or payment constitutes accord and satisfaction.

6.6 No Counterclaim, Setoff, or Abatement of Rent. Except as expressly set forth elsewhere in this Lease, Tenant shall pay rent and all other sums payable by Tenant without the requirement that State provide prior notice or demand. Tenant's payment is not subject to counterclaim, setoff, deduction, defense or abatement.

SECTION 9 ASSIGNMENT AND SUBLETTING

9.1 State Consent Required. Tenant shall not convey, transfer, or encumber any part of Tenant's interest in this Lease or the Property without State's prior written consent.

- (a) In determining whether to consent, State may consider, among other items, the proposed transferee's financial condition, business reputation, and experience, the nature of the proposed transferee's business, the then-current value of the Property, and such other factors as may reasonably bear upon the suitability of the transferee as a tenant of the Property. State may refuse its consent to any conveyance, transfer, or encumbrance if it will result in a subdivision of the leasehold. Tenant shall submit information regarding any proposed transferee to State at least thirty (30) days prior to the date of the proposed transfer.
- (b) State reserves the right to condition its consent upon:
- (1) Changes in the terms and conditions of this Lease, including, but not limited to, the Annual Rent; and/or
 - (2) The agreement of Tenant or transferee to conduct Tests for Hazardous Substances on the Property or on other property owned or occupied by Tenant or the transferee.
- (c) Each permitted transferee shall assume all obligations under this Lease, including the payment of rent. No assignment, sublet, or transfer shall release, discharge, or otherwise affect the liability of Tenant.
- (d) State's consent under this Paragraph 9.1 does not constitute a waiver of any claims against Tenant for the violation of any term of this Lease.

9.2 Rent Payments Following Assignment. The acceptance by State of the payment of rent following an assignment or other transfer does not constitute consent to any assignment or transfer.

9.3 Terms of Subleases.

- (a) Tenant shall submit the terms of all subleases to State for approval.
- (b) Tenant shall incorporate the following requirements in all subleases:
- (1) The sublease must be consistent with and subject to all the terms and conditions of this Lease;
 - (2) The sublease must provide that this Lease controls if the terms of the sublease conflict with the terms of this Lease;

- (3) The term of the sublease (including any period of time covered by a renewal option) must end before the Termination Date of the initial Term or any renewal term;
- (4) The sublease must terminate if this Lease terminates for any reason;
- (5) The subtenant must receive and acknowledge receipt of a copy of this Lease;
- (6) The sublease must prohibit the prepayment to Tenant by the subtenant of more than the annual rent;
- (7) The sublease must identify the rental amount subtenant is to pay to Tenant;
- (8) The sublease must provide that there is no privity of contract between the subtenant and State;
- (9) The sublease must require removal of the subtenant's Improvements and Personal Property upon termination of the sublease;
- (10) The subtenant's permitted use must be within the scope of the Permitted Use;
- (11) The sublease must require the subtenant to meet the Indemnification requirements under Section 10;
- (12) The sublease must require the subtenant to meet the Insurance requirements under Section 10.

9.4 Short-Term Subleases of Moorage Slips. Short-term subleasing of moorage slips for a term of one year or less does not require State's written consent or approval pursuant to Paragraphs 9.1 or 9.3. Tenant shall conform moorage sublease agreements to the sublease requirements in Paragraph 9.3.

9.5 Event of Assignment. If Tenant is a corporation, dissolution of the corporation or a transfer (by one or more transactions) of a majority of the voting stock of Tenant is an assignment of this Lease. If Tenant is a partnership, dissolution of the partnership or a transfer (by one or more transactions) of the controlling interest in Tenant is an assignment of this Lease. If Tenant is a limited liability company, conveyance of an economic interest of greater than fifty (50) percent is an assignment of this Lease. Assignments defined in this Paragraph 9.5 require State's consent under Paragraph 9.1.

SECTION 10 INDEMNITY, FINANCIAL SECURITY, INSURANCE

10.1 Indemnity.

- (a) Tenant shall indemnify, defend, and hold State, its employees, officers, and agents harmless from Claims arising out of the use, occupation, or control of the Property by Tenant, its subtenants, contractors, agents, invitees, guests, employees, affiliates, licensees, or permittees to the fullest extent permitted by law and subject to the limitations provided below.
- (b) "Claim" as used in this Paragraph 10.1 means any financial loss, claim, suit, action, damages, expenses, costs, fees (including attorneys' fees), fines, penalties, or judgments attributable to bodily injury, sickness, disease, death, and damages

to tangible property, including, but not limited to, land, aquatic life, and other natural resources. "Damages to tangible property" includes, but is not limited to, physical injury to the Property, diminution in value, and/or damages resulting from loss of use of the Property.

- (c) State shall not require Tenant to indemnify, defend, and hold State harmless for claims caused solely by or resulting solely from the negligence or willful act of the State or State's elected officials, employees, or agents.
- (d) Tenant specifically and expressly waives any immunity that may be granted under the Washington State Industrial Insurance Act, Title 51 RCW in connection with its obligation to indemnify, defend, and/or hold State and its agencies, officials, agents, or employees harmless. Further, the indemnification obligation under this Lease shall not be limited in any way by any limitation on amount or type of damages, compensation, or benefits payable to or for any third party under the worker's compensation acts.
- (e) Only to the extent RCW 4.24.115 applies and requires such a limitation, if a claim, suit, or action for injuries or damage is caused by or results from the concurrent negligence of (a) the State or State's agents or employees and (b) the Tenant or Tenant's subtenants, agents, or employees, these indemnity provisions shall be valid and enforceable only to the extent of the negligence of the Tenant and those acting on its behalf.
- (f) Section 8, Environmental Liability/Risk Allocation, exclusively shall govern Tenant's liability to State for Hazardous Substances and its obligation to indemnify, defend, and hold State harmless for Hazardous Substances.

10.2 Insurance Terms.

- (a) **Insurance Required.**
 - (1) At its own expense, Tenant, or Tenant's contractor(s) where permitted in Paragraph 10.3, shall procure and maintain during the Term of this Lease, the insurance coverages and limits described in this Paragraph 10.2 and in Paragraph 10.3, Insurance Types and Limits. State may terminate this Lease if Tenant fails to maintain required insurance.
 - (2) Unless State agrees to an exception, Tenant shall provide insurance issued by an insurance company or companies admitted to do business in the State of Washington and have a rating of A- or better by the most recently published edition of Best's Reports. Tenant may submit a request to the risk manager for the Department of Natural Resources to approve an exception to this requirement. If an insurer is not admitted, the insurance policies and procedures for issuing the insurance policies shall comply with Chapter 48.15 RCW and 284-15 WAC.
 - (3) All general liability, excess, umbrella, builder's risk, and pollution legal liability insurance policies must name the State of Washington, the Department of Natural Resources, its elected and appointed officials, agents, and employees as an additional insured by way of endorsement.
 - (4) All property insurance must name the State of Washington, the Department of Natural Resources, its elected and appointed officials, agents, and employees as loss payees.

- (5) All insurance provided in compliance with this Lease must be primary as to any other insurance or self-insurance programs afforded to or maintained by State.
- (b) **Waiver.**
- (1) Tenant waives all rights against State for recovery of damages to the extent insurance maintained pursuant to this Lease covers these damages.
 - (2) Except as prohibited by law, Tenant waives all rights of subrogation against State for recovery of damages to the extent that they are covered by insurance maintained pursuant to this lease.
- (c) **Proof of Insurance.**
- (1) Tenant shall provide State with a certificate(s) and endorsement(s) of insurance executed by a duly authorized representative of each insurer, showing compliance with insurance requirements specified in this Lease; and, if requested, copies of policies to State.
 - (2) The certificate(s) of insurance must reference the Lease number.
 - (3) Receipt of such certificates, endorsements or policies by State does not constitute approval by State of the terms of such policies.
- (d) State must receive written notice before cancellation or non-renewal of any insurance required by this Lease, as follows:
- (1) Insurers subject to RCW 48.18 (admitted and regulated by the Insurance Commissioner): If cancellation is due to non-payment of premium, provide State ten (10) days' advance notice of cancellation; otherwise, provide State forty-five (45) days' advance notice of cancellation or non-renewal.
 - (2) Insurers subject to RCW 48.15 (surplus lines): If cancellation is due to non-payment of premium, provide State ten (10) days' advance notice of cancellation; otherwise, provide State twenty (20) days' advance notice of cancellation or non-renewal.
- (e) **Adjustments in Insurance Coverage.**
- (1) State may impose changes in the limits of liability for all types of insurance as State deems necessary.
 - (2) Tenant shall secure new or modified insurance coverage within thirty (30) days after State requires changes in the limits of liability.
- (f) If Tenant fails to procure and maintain the insurance described above within fifteen (15) days after Tenant receives a notice to comply from State, State may either:
- (1) Deem the failure an Event of Default under Section 14, or
 - (2) Procure and maintain comparable substitute insurance and pay the premiums. Upon demand, Tenant shall pay to State the full amount paid by State, together with interest at the rate provided in Paragraph 6.3 from the date of State's notice of the expenditure until Tenant's repayment.
- (g) **General Terms.**
- (1) State does not represent that coverage and limits required under this Lease are adequate to protect Tenant.
 - (2) Coverage and limits do not limit Tenant's liability for indemnification and reimbursements granted to State under this Lease.

- (3) The Parties shall use any insurance proceeds payable by reason of damage or destruction to property first to restore the real property covered by this Lease, then to pay the cost of the reconstruction, then to pay the State any sums in arrears, and then to Tenant.

10.3 Insurance Types and Limits.

- (a) **General Liability Insurance.**
 - (1) Tenant shall maintain commercial general liability insurance (CGL) or marine general liability (MGL) covering claims for bodily injury, personal injury, or property damage arising on the Property and/or arising out of Tenant's use, occupation, or control of the Property and, if necessary, commercial umbrella insurance with a limit of not less than One Million Dollars (\$1,000,000) per each occurrence. If such CGL or MGL insurance contains aggregate limits, the general aggregate limit must be at least twice the "each occurrence" limit. CGL or MGL insurance must have products-completed operations aggregate limit of at least two times the "each occurrence" limit.
 - (2) CGL insurance must be written on Insurance Services Office (ISO) Occurrence Form CG 00 01 (or a substitute form providing equivalent coverage). All insurance must cover liability arising out of premises, operations, independent contractors, products completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another party assumed in a business contract) and contain separation of insured (cross-liability) condition.
 - (3) MGL insurance must have no exclusions for non-owned watercraft.
- (b) **Workers' Compensation.**
 - (1) **State of Washington Workers' Compensation.**
 - (i) Tenant shall comply with all State of Washington workers' compensation statutes and regulations. Tenant shall provide workers' compensation coverage for all employees of Tenant. Coverage must include bodily injury (including death) by accident or disease, which arises out of or in connection with Tenant's use, occupation, and control of the Property.
 - (ii) If Tenant fails to comply with all State of Washington workers' compensation statutes and regulations and State incurs fines or is required by law to provide benefits to or obtain coverage for such employees, Tenant shall indemnify State. Indemnity shall include all fines; payment of benefits to Tenant, employees, or their heirs or legal representatives; and the cost of effecting coverage on behalf of such employees.
 - (2) Longshore and Harbor Workers' and Jones Acts. Longshore and Harbor Workers' Act (33 U.S.C. Section 901 *et seq.*) and/or the Jones Act (46 U.S.C. Section 688) may require Tenant to provide insurance coverage in some circumstances. Tenant shall ascertain if such insurance is required and, if required, shall maintain insurance in compliance with law. Tenant

- is responsible for all civil and criminal liability arising from failure to maintain such coverage.
- (c) **Employers' Liability Insurance.** Tenant shall procure employers' liability insurance, and, if necessary, commercial umbrella liability insurance with limits not less than One Million Dollars (\$1,000,000) each accident for bodily injury by accident and One Million Dollars (\$1,000,000) each employee for bodily injury by disease.
 - (d) **Builder's Risk Insurance.**
 - (1) Tenant shall procure and maintain in force, or require its contractor(s) to procure and maintain in force, builder's risk insurance on the entire work during the period construction is in progress and until completion of the project and acceptance by State. Such insurance must be written on a completed form and in an amount equal to the value of the completed building and/or Improvements, subject to subsequent modifications to the sum. The insurance must be written on a replacement cost basis. The insurance must name Tenant, all contractors, and subcontractors in the work as insured. State must be named additional insured as required by Paragraph 10.2(a)(3).
 - (2) Insurance described above must cover or include the following:
 - (i) All risks of physical loss except those specifically excluded in the policy, including loss or damage caused by collapse;
 - (ii) The entire work on the Property, including reasonable compensation for architect's services and expenses made necessary by an insured loss;
 - (iii) Portions of the work located away from the Property but intended for use at the Property, and portions of the work in transit;
 - (iv) Scaffolding, falsework, and temporary buildings located on the Property; and
 - (v) The cost of removing debris, including all demolition as made legally necessary by the operation of any law, ordinance, or regulation.
 - (3) Tenant or Tenant's contractor(s) is responsible for paying any part of any loss not covered because of application of a deductible contained in the policy described above.

10.4 Financial Security.

- (a) At its own expense, Tenant shall procure and maintain during the Term of this Lease a corporate security bond or provide other financial security that State, at its option, may approve ("Security"). Tenant shall provide Security in an amount equal to Four Thousand Dollars (\$4,000), which is consistent with RCW 79.105.330, and secures Tenant's performance of its obligations under this Lease, with the exception of the obligations under Section 8, Environmental Liability/Risk Allocation. Tenant's failure to maintain the Security in the required amount during the Term constitutes a breach of this Lease.
- (b) All Security must be in a form acceptable to the State.

- (1) Bonds must be issued by companies admitted to do business within the State of Washington and have a rating of A-, Class VII or better, in the most recently published edition of Best's Reports, unless State approves an exception. Tenant may submit a request to the risk manager for the Department of Natural Resources for an exception to this requirement.
 - (2) Letters of credit, if approved by State, must be irrevocable, allow State to draw funds at will, provide for automatic renewal, and comply with RCW 62A.5-101, *et. seq.*
 - (3) Savings account assignments, if approved by State, must allow State to draw funds at will.
- (c) Adjustment in Amount of Security.
- (1) State may require an adjustment in the Security amount:
 - (i) At the same time as revaluation of the Annual Rent,
 - (ii) As a condition of approval of assignment or sublease of this Lease,
 - (iii) Upon a material change in the condition or disposition of any Improvements, or
 - (iv) Upon a change in the Permitted Use.
 - (2) Tenant shall deliver a new or modified form of Security to State within thirty (30) days after State has required adjustment of the amount of the Security.
- (d) Upon any default by Tenant in its obligations under this Lease, State may collect on the Security to offset the liability of Tenant to State. Collection on the Security does not (1) relieve Tenant of liability, (2) limit any of State's other remedies, (3) reinstate or cure the default or (4) prevent termination of the Lease because of the default.

SECTION 11 MAINTENANCE AND REPAIR

11.1 State's Repairs. State shall not be required to make any alterations, maintenance, replacements, or repairs in, on, or about the Property, or any part thereof, during the Term.

11.2 Tenant's Repairs, Alteration, Maintenance and Replacement.

- (a) Tenant shall, at its sole cost and expense, keep and maintain the Property and all improvements (regardless of ownership) in good order and repair, in a clean, attractive, and safe condition.
- (b) Tenant shall, at its sole cost and expense, make any and all additions, repairs, alterations, maintenance, replacements, or changes to the Property or to any improvements on the Property which may be required by any public authority having jurisdiction over the Property and requiring it for public health, safety and welfare purposes.
- (c) Except as provided in Paragraph 11.2(d), all additions, repairs, alterations, replacements or changes to the Property and to any improvements on the Property shall be made in accordance with, and ownership shall be governed by, Section 7, above.

- (d) Routine maintenance and repair are acts intended to prevent a decline, lapse, or cessation of the Permitted Use and associated Improvements. Routine maintenance or repair that does not require regulatory permits does not require authorization from State pursuant to Section 7.

SECTION 12 DAMAGE OR DESTRUCTION

12.1 Notice and Repair.

- (a) In the event of damage to or destruction of the Property or Improvements, Tenant shall promptly give written notice to State. State does not have actual knowledge of the damage or destruction without Tenant's written notice.
- (b) Unless otherwise agreed in writing, Tenant shall promptly reconstruct, repair, or replace the Property and Improvements as nearly as possible to its condition immediately prior to the damage or destruction in accordance with Paragraph 7.3, Construction, Major Repair, Modification, and Demolition and Tenant's additional obligations in Exhibit B, if any.

12.2 State's Waiver of Claim. State does not waive any claims for damage or destruction of the Property unless State provides written notice to Tenant of each specific claim waived.

12.3 Insurance Proceeds. Tenant's duty to reconstruct, repair, or replace any damage or destruction of the Property or any Improvements on the Property is not conditioned upon the availability of any insurance proceeds to Tenant from which the cost of repairs may be paid. The Parties shall use insurance proceeds in accordance with Paragraph 10.2(g)(3).

12.4 Rent in the Event of Damage or Destruction. Unless the Parties agree to terminate this Lease, there is no abatement or reduction in rent during such reconstruction, repair, and replacement.

12.5 Default at the Time of Damage or Destruction. If Tenant is in default under the terms of this Lease at the time damage or destruction occurs, State may elect to terminate the Lease and State then shall have the right to retain any insurance proceeds payable as a result of the damage or destruction.

SECTION 13 CONDEMNATION

13.1 Definitions.

- (a) "Taking" means that an entity authorized by law exercises the power of eminent domain, either by judgment, settlement in lieu of judgment, or voluntary conveyance in lieu of formal court proceedings, over all or any portion of the Property and Improvements. This includes any exercise of eminent domain on any portion of the Property and Improvements that, in the judgment of the State, prevents or renders impractical the Permitted Use.

- (b) "Date of Taking" means the date upon which title to the Property or a portion of the Property passes to and vests in the condemner or the effective date of any order for possession if issued prior to the date title vests in the condemner.

13.2 Effect of Taking. If there is a taking, the Lease terminates proportionate to the extent of the taking. If this Lease terminates in whole or in part, Tenant shall make all payments due and attributable to the taken Property up to the date of taking. If Tenant has pre-paid rent and Tenant is not in default of the Lease, State shall refund Tenant the pro rata share of the pre-paid rent attributable to the period after the date of taking.

13.3 Allocation of Award.

- (a) The Parties shall allocate the condemnation award based upon the ratio of the fair market value of (1) Tenant's leasehold estate and Tenant-Owned Improvements and (2) State's interest in the Property; the reversionary interest in Tenant-Owned Improvements, if any; and State-Owned Improvements, if any.
- (b) If Tenant and State are unable to agree on the allocation, the Parties shall submit the dispute to binding arbitration in accordance with the rules of the American Arbitration Association.

SECTION 14 DEFAULT AND REMEDIES

14.1 Default Defined. Tenant is in default of this Lease on the occurrence of any of the following:

- (a) Failure to pay rent or other expenses when due;
- (b) Failure to comply with any law, regulation, policy, or order of any lawful governmental authority;
- (c) Failure to comply with any other provision of this Lease;
- (d) Commencement of bankruptcy proceedings by or against Tenant or the appointment of a trustee or receiver of Tenant's property.

14.2 Tenant's Right to Cure.

- (a) A default becomes an "Event of Default" if Tenant fails to cure the default within the applicable cure period following State's written notice of default. Upon an Event of Default, State may seek remedies under Paragraph 14.3.
- (b) Unless expressly provided elsewhere in this Lease, the cure period is ten (10) days for failure to pay rent or other monetary defaults; for other defaults, the cure period is thirty (30) days.
- (c) For nonmonetary defaults not capable of cure within thirty (30) days, State will not unreasonably withhold approval of a reasonable alternative cure schedule. Tenant must submit a cure schedule within thirty (30) days of a notice of default. The default is not an Event of Default if State approves the schedule and Tenant works diligently and in good faith to execute the cure. The default is an Event of Default if Tenant fails to timely submit a schedule or fails to cure in accordance with an approved schedule.

14.3 Remedies.

- (a) Upon an Event of Default, State may terminate this Lease and remove Tenant by summary proceedings or otherwise.
- (b) If the Event of Default (1) arises from Tenant's failure to comply with restrictions on Permitted Use and operations under Paragraph 2.2 or (2) results in damage to natural resources or the Property, State may enter the Property without terminating this Lease to (1) restore the natural resources or Property and charge Tenant restoration costs and/or (2) charge Tenant for damages. On demand by State, Tenant shall pay all costs and/or damages.
- (c) Without terminating this Lease, State may relet the Property on any terms and conditions as State may decide are appropriate.
 - (1) State shall apply rent received by reletting: (1) to the payment of any indebtedness other than rent due from Tenant to State; (2) to the payment of any cost of such reletting; (3) to the payment of the cost of any alterations and repairs to the Property; and (4) to the payment of rent and leasehold excise tax due and unpaid under this Lease. State shall hold and apply any balance to Tenant's future rent as it becomes due.
 - (2) Tenant is responsible for any deficiency created by the reletting during any month and shall pay the deficiency monthly.
 - (3) At any time after reletting, State may elect to terminate this Lease for the previous Event of Default.
- (d) State's reentry or repossession of the Property under Paragraph 14.3 is not an election to terminate this Lease or cause a forfeiture of rents or other charges Tenant is obligated to pay during the balance of the Term, unless (1) State gives Tenant written notice of termination or (2) a legal proceeding decrees termination.
- (e) The remedies specified under this Paragraph 14.3 are not exclusive of any other remedies or means of redress to which the State is lawfully entitled for Tenant's breach or threatened breach of any provision of this Lease.

SECTION 15 ENTRY BY STATE

State may enter the Property at any reasonable hour to inspect for compliance with the terms of this Lease, to monitor impacts to habitat, or survey habitat and species. Tenant grants State permission to cross Tenant's upland property to access the Property. Regulatory authorities may accompany State when State enters the Property. State's failure to inspect the Property does not constitute a waiver of any rights or remedies under this Lease.

SECTION 16 DISCLAIMER OF QUIET ENJOYMENT

16.1 No Guaranty or Warranty.

- (a) State believes that this Lease is consistent with the Public Trust Doctrine and that none of the third-party interests identified in Paragraph 1.1(b) will materially or adversely affect Tenant's right of possession and use of the Property, but State makes no guaranty or warranty to that effect.

- (b) State disclaims and Tenant releases State from any claim for breach of any implied covenant of quiet enjoyment. This disclaimer and release includes, but is not limited to, interference arising from exercise of rights under the Public Trust Doctrine; Treaty rights held by Indian Tribes; and the general power and authority of State and the United States with respect to aquatic lands and navigable waters.
- (c) Tenant is responsible for determining the extent of Tenant's right to possession and for defending Tenant's leasehold interest.

16.2 Eviction by Third-Party. If a third-party evicts Tenant, this Lease terminates as of the date of the eviction. In the event of a partial eviction, Tenant's rent obligations abate as of the date of the partial eviction, in direct proportion to the extent of the eviction; this Lease shall remain in full force and effect in all other respects.

18.5 Waiver.

- (a) The waiver of any breach or default of any term, covenant, or condition of this Lease is not a waiver of such term, covenant, or condition; of any subsequent breach or default of the same; or of any other term, covenant, or condition of this Lease. State's acceptance of a rental payment is not a waiver of any preceding or existing breach other than the failure to pay the particular rental payment that was accepted.
- (b) The renewal of the Lease, extension of the Lease, or the issuance of a new lease to Tenant, does not waive State's ability to pursue any rights or remedies under the Lease.

18.6 Cumulative Remedies. The rights and remedies of State under this Lease are cumulative and in addition to all other rights and remedies afforded by law or equity or otherwise.

18.7 Time is of the Essence. TIME IS OF THE ESSENCE as to each and every provision of this Lease.

Tenant shall provide State with recording information, including the date of recordation and file number.

18.13 Modification. No modification of this Lease is effective unless in writing and signed by both Parties. Oral representations or statements do not bind either Party.

18.15 Exhibits and Attachments. All referenced exhibits and attachments are incorporated in the Lease unless expressly identified as unincorporated.
